ElasticSearch
Docker

The screenshot shows the HP Big Data Marketplace homepage. At the top, there's a navigation bar with links for 'CATEGORIES', 'DOCS', 'COMMUNITY', and 'SIGN UP / IN'. The main header features the text 'Big Data Marketplace' and 'Hewlett Packard Enterprise'. Below the header is a search bar and a 'Call to action' button. A large banner image shows a person working on a laptop. The page is divided into several sections:

- Browse by category:** A grid of icons representing different categories: Analytics, BI & Visualization, Developer & DBA, Training & Certification, ETL & Data Ingest, Hadoop, IDOL OnDemand, Solutions, Security, and Vertica Platform. Each category has a link to 'View [number] add-ons'.
- Featured add-ons:** A row of four cards for Looker BI Platform, JReport, Logi Info, and Pulse Visualization Example Package, each with a star rating and download count.
- News & more:** A section with three cards: 'IDOL onDemand API' (with a network graph icon), 'HP Protect 2015' (with a city skyline icon), and 'Azuqua for HP IDOL onDemand' (with a plus sign and Azuqua logo).
- Want to develop for ArcSight?**: A section encouraging developers to join the marketplace, with links to 'Sign up now' and 'Learn more'.

CRUISEAWAY

- PLATFORM
Windows
- TECHNOLOGY
WinJs, AngularJs
HTML5 + CSS(SaSS)

The screenshot shows the Cruiseaway mobile application's main screen. At the top right, the date "25-Jan-14" and time "12:58 PM" are displayed. The top left features the "CRUISEAWAY" logo with a stylized ship icon. Below the header, there are two main sections: "Itinerary" and "eWallet".

The "Itinerary" section displays a large image of a city skyline at sunset, identified as London. Below the image is a brief description: "London is a leading global city, with strengths in the arts, commerce, education, entertainment, fashion, finance, global city, with strengths in the arts, commerce, education, entertainment,..." A blue button labeled "View Full Itinerary" is positioned at the bottom of this section.

The "eWallet" section shows two items:

- A meal deal for "1902 Restaurant" featuring sushi, with a green checkmark icon and the text: "Dine at the exclusive 1902 serving the best Sushi in the town."
- A breakfast deal for "The Club" featuring pancakes, with a yellow checkmark icon and the text: "Breakfast worthy of kings to start your day at the exclusive Club!"

This screenshot shows the "Itinerary" section of the Cruiseaway app, displaying three days of travel:

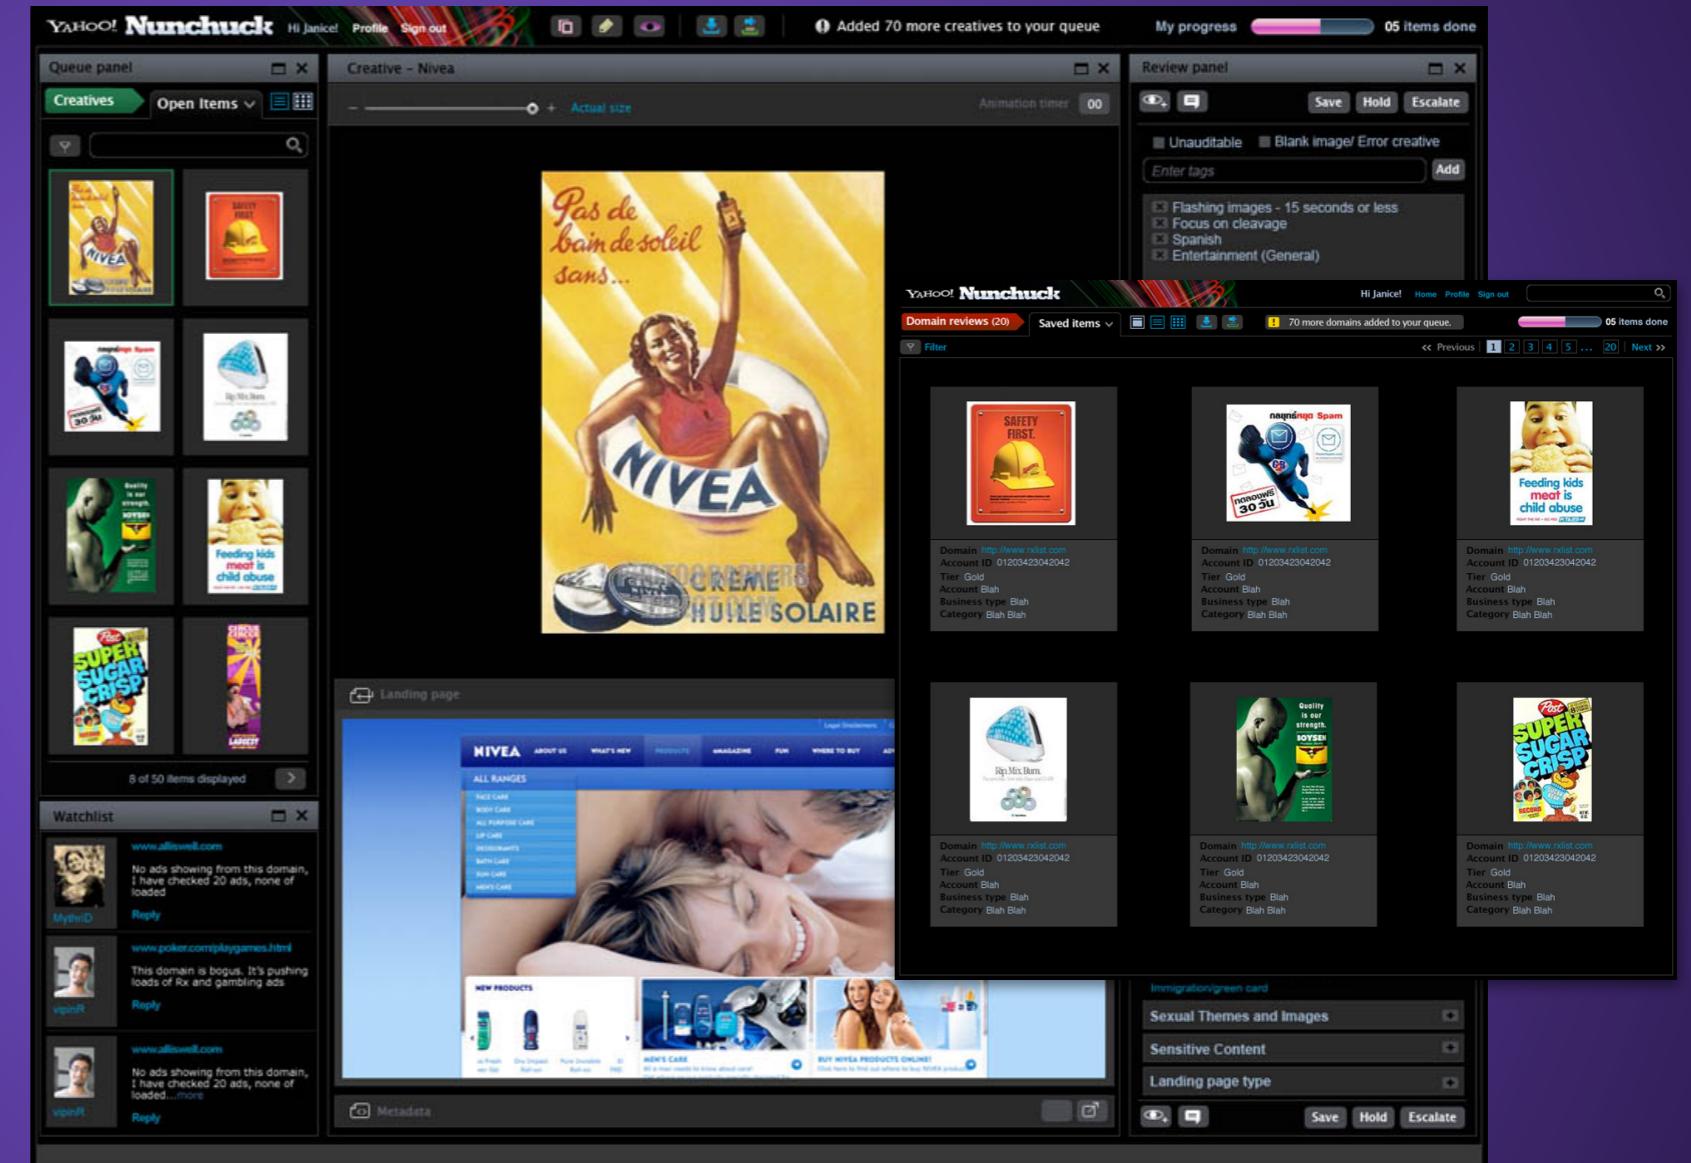

- Day 01: Luxor** (London, UK)
Temperature: 17°F SUNNY
Description: "26th London is a leading global city, professional services, research and development, fashion, finance, healthcare, media, tourism and transport all contributing to its prominence."
[View Schedule](#)
- Day 02: New York** (New York City, USA)
Temperature: 24°F SUNNY
Description: "27th New York is a leading global city, a professional services, research and development, fashion, finance, healthcare, media, tourism and transport all contributing to its prominence."
[View Schedule](#)
- Day 03: California** (Los Angeles, USA)
Temperature: 32°F SUNNY
Description: "28th California is a leading global city, professional services, research and development, fashion, finance, healthcare, media, tourism and transport all contributing to its prominence."

Sharon West I'm so there!
Danielle Walsh (+9) Thanks for inviting me. My relatives are in town that week. Can I bring them alone?

NOKIA

HP Marketplace

- PLATFORM
Desktop & Mobile
- STACK
PHP
HTML, CSS, JavaScript

The screenshot shows the Nokia Ovi Settings page. At the top, there's a navigation bar with icons for People, Maps, Photos, Games, Music, and Calendar. The main menu on the left includes links like My Account, My Information, Password & Security, Privacy, Payment, My Devices, Synchronisation, My Services, Life Streaming, and Marketing Consents. The central area displays 'Basic Information' fields for First name (Uday), Last name (Shankar), Language (English), Country (India), Gender (Please select...), and Date of birth (DD.MM.YYYY). A modal dialog titled 'Ovi Account Termination' is open, asking if the user wants to remove registration information. It contains sections for Email (with an input field for 'uday.shankar@nokia.com') and Mobile (with an input field for '+919980945'). A note states that the terminated User ID will be locked for 6 months before being released. A 'password' input field and a 'Terminate' button are also present. To the right, there are sections for 'Your privacy' (with links to Service terms and Privacy policy) and 'Terminate your account' (with a link to Continue with account termination). The footer includes links for Privacy Policy, Service Terms, Help, and Nokia.com, along with a copyright notice: 'Copyright © 2007-2008 Nokia. All rights reserved'.
